We start the year saying goodbye to our old Committee members and welcoming new members.

No doubt we will miss their wisdom and guidance, but we also look forward to the contribution of our new Committee Members.

Over the next two years, the new Committee will endeavour to continue with the modernising theme. The use of email communication is now reasonably well established and we are endeavouring to take this to a new level with the introduction of communication via social media, in particular Facebook. We would encourage all Community Members to register with us on our closed Facebook group, Shree Kshatriya Association of UK. If you are not on our emailing list then please email your details to <code>info@skauk.org</code>. Also, we are currently at the planning stage of establishing a group on LinkedIn with the aim of encouraging professionals and business people in our Community to register and encourage the youth to access the knowledge of these individuals to help them in their individual career paths.

We will also continue to follow up on matters that were agreed at the last AGM and, in particular, we are currently in the process of ongoing dialogue with our Solicitors with a view to converting Shree Kshatriya Association of UK from a charitable unincorporated voluntary association to a Company Limited by Guarantee with charitable status. We have in this newsletter, printed a summary of the Association's Annual Financial Statements together with a list of donations received in that year in order to ensure greater transparency and wider circulation of the financial information of the Association.

Various issues in connection with the SKA Hall have been an ongoing project for at least the last four years and we continue to progress this matter further and hope to achieve a favourable outcome in the medium term.

As always we will endeavour to do our best to serve the Community and, in return, we seek your assistance and support wherever possible.

# **2011 SKA 5-A-Side Football Tournament**

Venue: Royal Route, Off Engineers Way, (Adjacent to Wembley Stadium), London HA9 0WS

Date: Sunday 13th November 2011

Due to popular demand, this tournament was back on the SKA calendar. With 4 teams competing in a hard fought round "robin format" competition, resulting in the 2 best teams making it to the final. The final turned out to be a classic, the game went into penalties as the winning team, captained by Nilesh Patel held their nerve and triumphed in lifting the coveted trophy. They will now go on and represent SKA at the 5-A-Side Hindu Council Tournament. SKA would like to thank all participants who took part.

**Runners up:** Vishal Ramesh Khatri, Nitesh Ramesh Khatri, Hitesh Yogesh Kapadia, Nayan Yogesh Kapadia, Nilesh Navin Parmar and Jeetesh Arvindlal Khatri.

Following on their success at SKA 5-A-Side tournament, on Sunday 8th January our winners led by Nilesh Patel, represented our community in the equivalent Hindu Council tournament at Goals in Alperton, Wembley. Playing against very skillful teams, our boys done extremely well to come 3rd and just missed out on reaching the final on goal difference. # Membership Fees and Donations

You will shortly receive your Annual Membership Fee Statements and, like last year, you will have the option to make the payment directly online. Can we please encourage everyone to use this method of payment, as it greatly assists us with the bookkeeping. However, we have learnt something from last year.

If you do make any changes to the amounts or information such as adding a child who has now become 18 then please do provide us with a scan of the statement appropriately amended and this should be sent to **treasurer@skauk.org** or alternatively use the prepaid envelope provided so you can post the amended statement to **Vinod C Khatri**, 100 Lichfield Grove, Finchley Central, London N3 2JN as this will allow us to update our records.

Also, it is vital that you quote the appropriate account reference when you make the payment, otherwise we will not be able to identify the payments. Anyone making online payments will be familiar with this and it is very important that you quote the reference.

We have endeavoured to issue the statements earlier this year at the request of Community Members and we would be grateful if you could ensure prompt settlement as this will allow us to close our accounting year to 31st March with all membership income duly received.

# Children's Christmas Party

The Annual Children's Christmas party was held at the SKA Community Hall on Saturday 17th December 2011.

Approximately 34 children attended and they were entertained by professional performer, Mr Laurie Temple. He performed magic tricks, sang songs, played games and managed to have the attention of all the children.

In keeping with tradition, to the all children's delight Father Christmas took a break from his busy schedule and also attended the Party. He took part in the games and handed out presents and prizes to all the children that attended. Following the fun and games, SKA provided a variety of hot and cold snacks for all to enjoy. All those lucky enough to attend, had a fun and enjoyable afternoon.

SKA would especially like to thank Rajesh Amratlal Khatri, who took out time to full fill the role of Father Christmas. Finally, we would also like to thank all the parents for taking the time to bring their children.

## સભ્ય ફ્રી અને દાન

થોડા સમયમાં તમને વાર્ષિક સભ્ય ફ્રી અને દાન નો પત્ર મળશે જેને મળતાની સાથે આપને પૈસા મોકલી આપવા વીનંતી છે. આપ સૌને ઓન લાઈન પેંમેન્ટ પધ્ધતી અપનાવવા વિનંતી છે જેથી હિસાબ રાખવો સરળ બને છે જેગતવપૅના હિસાબથી શીખ્યા છે.

જો તમે કોઇ દાનની રકમ માં ફેરફાર કરો, જેમકે કોઈ ફેમીલીમાં ૧૮ વર્ષે નું થાય કે અન્ય તો તમનો ઉલ્લેખ ઇ-મેલ દ્રારા અથવા પ્રીપેઇડ કવર થી અમને જણાવો જેથી તેનો રેકોડ અપડેટ કરવામા મદદમળો.

સાથે જ્યારે ઓનલાઇન પેમેન્ટ કરો ત્યારે યોગ્ય રેફ્રરન્સ નંબરલખવો, નહિતો અમોને ખબરના પડે કે તમે પેમેન્ટ કય્ૅ્હતું.

આ વર્ષેની જેમ જો કોઇને દાન પત્રક માટે પ્રોબલેમ હોય તેઓ તત્કાલ સંસ્થાના સભ્યોનો સંપક્ષ કરો જેથી ૩૧ માર્ચે પહેલા પેઈમેંટ થાય અને સમયપર એકાઉન્ટ બંધ કરી શકાય.

## Go East Young Man - India On The Rise

How times change, there was a time when going west was the way to ones fortune. Now with each passing day the advice seems to be to go east if you wish to be successful quickly. At a time when USA Europe and Britain are in the midst of a possible double dip recession, India is experiencing an official growth rate of 8.5%. Whereas these countries over the next few years will struggle to have growth rates of 2% or 3%, India is expecting double digit growth according to the latest research by one of the major international banks.. Whilst most people see the changes taking place in India, most of them fail to recognise the extraordinary underlying growth and potential of the opportunities currently available in the world's largest democracy. The statistics are mind boggling, suffice to say India is now the 4th largest economy in purchasing power terms and will be the third largest economy in actual terms by 2035 according to official reports. By 2050 it is likely to have overtaken the USA to become second only to China It is fair to say India has just started to crawl and for any serious business it is no longer a question of should you be in India, but you must be in India.

The world has started to take notice. No less than 3 US Presidents have made state visits in the last 10 years, prior to which there was one in 22 years. Last year the prime minister of Britain David Cameron led the largest ever senior trade delegation to India so that British Companies do not lose out on trade with the country. Unsurprisingly, more and more people are returning to India as they see a better future for their children. The surprising thing is many young smart, educated and intelligent Indians do not see this potential and still hanker to go to the States, England or Australia. They fail to notice that large numbers of those who left some years ago have returned to India setting up their own businesses or taking up highly paid jobs.

London resident Anil Amratlal Hazratwala has been coming to India a few times a year for the last 15 years and seen a huge shift in economic fortunes from an outsiders view. His experience of business on both sides resulted in him being chosen to accompany a recent high profile UK trade delegation comprising of civil servants and leading businesses to Hydrabad, Pune and Mumbai organised by the UK Government Department for Trade and Investment. They had meaningful talks with Indian business leaders as well as state officials in those cities with the sole purpose of boosting trade between the two

It is not only delegations from the UK causing such excitement in the Indian business community, In February alone there were other high profile delegations from UK, Turkey and France to Hydrabad and Pune alone. Such is the buzz about doing business in India that Anil Amratlal Hazratwala is returning in March to Mumbai with another delegation led this time by the UK Minister for Trade Lord Green who is a senior cabinet member in the UK Government.

In the seventies business leaders looked to Japan for the latest in business innovation. In the eighties attention moved to the Tiger countries of South East Asia, Taiwan, Singapore and Korea. The nineties saw attention diverted to the USA as it sought to assert its superiority in the world order. The new century saw the world's eyes drift to China's manufacturing and cost cutting business model. We have now entered the new decade with India being the new kid on the block. Forward looking international businesses are investing Millions of dollars to understand the Indian success story and its general business model. Businessmen from all over the world are coming to India to learn about the latest business thinking and marketing techniques. Anil himself

will be attending the renowned SP Jain

Institute of Management and Research

in Mumbai for a full time crash course

over two weeks to see what the fuss is all

about.

Of course not everything is rosy; India has severe shortcomings in infrastructure, inadequate legal remedies, immature financial /insurance markets and corruption to name just a few problems. The view of the British High Commissioners office in Pune thinks these shortcomings are not as bad as it initially seems. Without these bottlenecks India would have an unsustainable growth rate leading to problems of overheating, severe inflation and unemployment.

When asked about India Anil Hazratwala had the following to say:

'I have been in business of one kind or another for over 30 years in the UK and as a chartered accountant worked with thousands of businesses and business leaders during that period. I thought I had seen almost all the things worth seeing in business. However, the one thing that strikes you about India is the quality of the people running the Indian economy at the ground level in the large Metros.

Reluctantly I have to admit the quality of the average businessman in India is not just ahead of his British counterpart but simply streets ahead. Furthermore he is far more innovative, adventurous as well as ambitious. The hunger and drive to succeed is infectious. In Pune I met a young 28 year old who had worked in Manchester England for a number of years in a Solicitors office as a junior clerk. About 4 years ago he returned to India and without any major investment started to provide these services to English lawyers from Pune. Today he employs 65 staff. This is by no means a unique or special success story. In fact he feels some of his competitors have grown faster then him and he feels left behind!

Consider HSBC bank who have given their UK staff a growth target of 15% this year which the staff feel is unachievable. In India the same department of the bank have a target of 35% and my discussions with the Indian staff indicate that most of them have already spent their expected bonuses as they think that target is easy to achieve. A serious business in India not growing at around 30% is considered stagnant. Contrast that with what is happening in the west.

Whilst salaries for Indian employees lag behind the western world in real terms, most Indian professionals and graduates from good institutions have better pay and living standards once purchasing power is brought into the equation. Having worked with many Indian businesses I can see wage inflation running at 20% per annum plus. Hence, it will not be long before Indian pay packets start to equate to the western world in real terms as well.

I feel India is at stage where we have a once in a generation opportunity to catch this momentum before the competition catches up. The market is unbelievably large and more importantly growing in need for anything and everything you can name. Whether it be any form of retail, legal or financial services, medical, healthcare, insurance, financial products, entertainment, fashion, media, advertising; the list is endless. Companies are making more money in India then their other operations around the world put together. This potential is there for businesses of every type and size, no matter what you do, make or sell the Indian consumer is ready to lap it up. I can personally foresee a time in the not to distant future where people born and bred in the UK, USA or elsewhere will be returning to the country of their forefathers to settle with just one aim. That being the same aim that their previous generations had in mind when they left India in the first place. .....So that their children could have a better future.... We will soon come full circle.

If people do not establish a foothold in the country now, they may find it increasingly difficult to come to India later on as the ever rising prices in real estate and inflation takes its toll. There is no question that the differential in earnings and prices between the west and India is narrowing at an alarming rate. Moreover this momentous shift in economic fortunes is irreversible.'

## Diwali / New Years Party Review

This year's festive function was held on Saturday 29th October 2011 at Copland High School, Wembley. The event was extremely well attended with approx 800 members wishing relatives and friends 'Nutan Varsha Abhinandan'.

Members were treated to a 'good old fashion batero party', especially prepared by members of our community. The menu consisted of Gosht, Salad, Nan, Rice and Daal. Vegetarian food was catered by Meera Caterers. There was also the usual brisk business for alcoholic drinks at the bar, as all toasted each other.

A huge task was undertaken by the committee to prepare for this function with such a large expected turn out. We would like to thank all those people who helped in preparation work in turning this function into an overwhelming success.
